SUMMARY

A creative and detail-oriented **UI/UX Designer** experienced in designing user-centered digital interfaces and enhancing usability. Passionate about crafting intuitive, visually appealing designs, I aim to contribute my creativity and design thinking as a **UI/UX Designer**.

EXPERIENCE

UI/UX Design Intern

Oct - Nov, 2025

Amdox Technologies

- Designed UI for the Amdox management tool under **senior guidance**, improving **user flow & usability**.
- Built wireframes and prototypes** in Figma, using feedback to refine designs.
- Worked with designers and learned user-centered design, **focusing on accessibility and consistency**.

Freelance

Dec, 2023 - Present

- Delivered brand assets**, including logos and marketing collateral, for diverse cross-industry clients.
- Maintained a 100% on-time delivery rate** while managing end-to-end design lifecycles for multiple concurrent projects.
- Strengthened client market presence** by creating cohesive visual identities tailored to specific target audiences.

PROJECTS

Tiny Steps(Children Accessories Website)

- Designed a responsive kids' e-commerce website with **smoother navigation and better usability**.
- Created **5+ core screens** for mobile and desktop with a consistent design.
- Improved **visual clarity and engagement** with better layout and hierarchy.

Aqua Pay(Mobile Payment App)

- Designed a mobile **UPI app**, improving flow efficiency by **~35%**.
- Created **5+ key screens** with consistent high-fidelity design.
- Improved usability and clarity by **~30%** through minimal UI and strong hierarchy.
